Office of Selectmen,
Holderness, N. H.

Dear Sirs:

The following is a report of the activities conducted for the town of Holderness by the N. H. Department of Health, Bureau of Public Health Nursing, for the year 1960. Please have printed in your Town Report.

Home visits have been made in the town on babies and pre-school age children. The mothers have been urged to take their children to their own family physicians for immunizations as there were no clinics held in the town the past year.

Miss Ellen Clough, R.N., veteran nurse with the N. H. Tuberculosis Association, retired on September 1st, 1960. The work is now covered by the N. H. Department of Health, Bureau of Public Health Nursing, in cooperation with the N. H. Tuberculosis Association. Chest clinics are planned for twice during the year at Plymouth for examination and chest x-rays given by Dr. Robert Kerr and Mr. Alden of the N. H. Tuberculosis Association assisted by the Public Health Nurse. This is a public clinic and residents of Holderness are welcome to attend. An announcement of date will be made in local papers.

Respectfully submitted,

LOIS B. REED, R.N.,
Public Health Nurse

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five per cent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as ($200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.

2. Be sure to properly supervise your burning. Don't leave it.

3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty
Use your town dump

REPORT OF THE POLICE DEPARTMENT

Another year has passed and the record stands clear in Holderness, no traffic fatalities. There were several automobile accidents with personal injury. Some of the cars involved were a total loss. Several complaints were received by the Selectmen and the Police Department about speed on the highway through the business section of Holderness. An order to your chief of police was given to have a special officer on duty on week ends throughout the Summer. It proved successful.

In the latter part of July of this past year, what might have been a tragedy was avoided by the quick response to a telephone call received about 2:30 a. m., that some hoodlums were shooting very close to a camp filled with some 75 children ranging from 7 to 15 years old. Upon driving into the camp there was noticed some brush woven more or less into a sort of barricade across the road. Stopping to investigate, a steel wire cable was found stretched across the road, about center of windshield height and securely fastened to a tree and telephone pole and hidden by the brush woven in and around it. Had a car crashed through the brush, the whole top of the car could have been shaved off, also the upper part of a human body. Culprits escaped before police arrived.

We answer every call, whether day or night, and try to give you the sort of service expected of us. Unfortunately our training has not been such as to meet all the problems that arise. When we meet these problems we get excellent co-operation from the State Police and the Sheriff's department.

More and more crime comes into the state as the highways become better. Crime such as we in Holderness never dreamed of could happen here, as it is rapidly working its way up into this area. By the toll road it is a matter of an hour or so from Boston and vicinity to this area surrounding the lakes, bringing who knows what.

To be better prepared, some of us attend special meetings and F. B. I. Training Classes that have been held in the surrounding part of the state. We travel to these classes and lectures on our own time and expense to better serve you.

The equipment that the police use is very nearly all purchased and owned by the officers themselves, and they are very proud of their belongings. I do believe that to give you the very best service that you desire and expect that it should not be all give on our part. How about you, as citizens, giving us a little cooperation? We do not ask for much.

Very glad to serve you

GEORGE A. PLANT, Chief

REPORT

OF AN

EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

TOWN OF HOLDERNESS

FOR THE FISCAL YEAR

ENDED DECEMBER 31, 1960

Made By

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

December 5, 1960

and

February 6 & 7, 1961

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS
AND RECOMMENDATIONS

February 20, 1961

Board of Selectmen
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1960, which was made by this Division in accordance with the vote of the Town.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Road Agent, Fire Department and Trustees of Trust Funds.

Financial Statements

Comparative Balance Sheets—December 31, 1959 — December 31, 1960:

(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1959 and December 31, 1960, are presented in Exhibit A-1. As indicated therein the financial condition changed from a Surplus of $9,445.44, to a Net Debt of $2,-182.69, in 1960.

Analysis of Change in Financial Condition:

(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Decrease in Surplus (Increase in Net Debt)		
Long Term Notes Issued	$ 21,000.00	
Decrease in Cash in hands of Officials	133.40	
		$ 21,133.40
Increase in Surplus (Decrease in Net Debt)		
Long Term Notes Paid	$ 4,100.00	
Net Budget Surplus	5,380.36	
Decrease in Accounts Payable	24.31	
Tax Collector's Excess Credits	.60	
		$ 9,505.27
Change in Financial Condition		$ 11,628.13

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues:

(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1960, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of $2,871.68, plus a revenue surplus of $2,508.68, resulted in a net budget surplus of $5,380.36.

Summary Statement of Receipts and Expenditures:

(Exhibit B-1)

A Summary statement of receipts and expenditures for the fiscal year ended December 31, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1960, is indicated in Exhibit B-2.

Audit Procedure

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Current Surplus:

The current surplus(excess of total assets over current liabilities) increased by $5,271.87, from $13,-445.44 to $18,717.31, in 1960, as shown herewith:

	Dec. 31, 1959	Dec. 31, 1960
Total Assets	$ 50,215.36	$65,183.43
Current Liabilities	36,769.92	46,466.12
Current Surplus	$ 13,445.44	$18,717.31

Surety Bond of Town Treasurer:

The surety bond of the Town Treasurer should be increased from $10,000.00 to $15,000.00, in order that the amount of the bond may be more proportional to the amount of funds received and in the custody of this official.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Edgar O. Pesquera, Auditor
Dumont W. Bailey, Accountant

MINUTES OF
HOLDERNESS SCHOOL DISTRICT MEETING
March 5, 1960

The annual meeting of the Holderness School District was called to order by the moderator, Mr. Carlton Elsner, at 4:30 P. M. The moderator read the warrant. Mr. Willoughby moved to consider article 1 at this time and postpone action on the balance of the warrant until 8 P. M. Mrs. Ayer seconded the motion and it was carried.

At 8 P. M. Mr. Elsner again called the meeting to order and prayer was offered by Mr. McGlone. The polls were temporarily closed and the warrant was read by the moderator.

The following motion was made by Mr. Gordon and seconded by Mr. Willoughby.

Article 2. I move the District approve the salaries of the members of the School Board, Truant Officer and other officers and agents of the District as proposed in the budget, namely: School Board $100 each; Chairman $125; Clerk $10; Treasurer $50; Moderator $10; Ballot Clerk $10; Census taker $25; Truant Officer $10; and Bookkeeper $150.

The vote was in the affirmative.

Mr. Willoughby moved as follows:

Article 3. I move the District accept the reports of the audit of the General Fund account and Treasurer that was made by the Division of Municipal Accounting of the State Tax Commission, and the reports of the Agents of the District as printed in the annual School Report.

The motion was seconded by Mr. Plant and voted in the affirmative.

Mrs. Ayer moved to accept article 4 as follows:

Article 4. I move the District raise and appropriate the sum of $85,958.45 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Mr. Willoughby seconded the motion and it was carried without discussion.

The following motion was made by Mr. Thompson and seconded by Mr. Manos.

Article 5. I move the School Board be authorized to appoint Agents, Auditors and Committees whenever necessary.

The vote was in the affirmative.

Mr. Willoughby moved to accept article 6 as follows:

Article 6. I move the District vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants of offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

Mrs. Ayer seconded the motion and then explained the Education Defense Act which requires the school district to match funds requested. The motion was voted in the affirmative.

There was no business to be discussed under article 7.

Mr. Heffernan explained the mechanics of the no-school signal.

The moderator announced the polls would be re-opened to complete the balloting.

The ballot clerks counted the ballots and the following results were announced by the moderator:

Ballots cast —	96
For Moderator	
Carlton Elsner	92
For Clerk	
Eileen R. Sargent	91
For Treasurer	
Franklin M. Wolf	92
For member of the School Board for 3 years	
Frances C. Ayer	45
Edward W. Bragg	51

Edward W. Bragg, having received the plurality of the votes cast, was declared elected.

The moderator declared the meeting adjourned.

After adjournment, Mr. Elsner was sworn into office by Mrs. Nellie Calley. Mrs. Sargent, Mr. Wolf and Mr. Bragg were sworn into office by Mr. Elsner.

Respectfully submitted,

ELEANOR S. WOLF,
Clerk, Holderness School District

SCHOOL DISTRICT WARRANT

Town of Holderness

State of New Hampshire

To the Inhabitants of the School District in the Town of Holderness, New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet in the Holderness Central School in said District on the 11th day of March, 1961, at 4:30 o'clock in the afternoon, to act upon the following articles as set forth in this warrant:

(Article 1 of this warrant covering the election of Moderator, Clerk, Treasurer and member of the School Board will be acted upon at 4:30 P. M. and voting will be by official ballot and check lists. The polls will remain open for this purpose from 4:30 P. M. to 9:00 P. M. At 8:00 P. M. the remaining articles will be acted upon.)

1. To choose by ballot a Moderator, Clerk, and a Treasurer to serve one year; and one member of the School Board to serve a term of three years.

2. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

4. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

5. To choose Agents and Committees in relation to any subject embraced in this Warrant.

6. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

7. To transact any other business that may legally come before the meeting.

Given under our hands at said Holderness this 16th day of February, 1961.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 20, 1960

The School Board
Holderness School District
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Holderness School District for the fiscal year ended June 30, 1960, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets of June 30, 1959 and June 30, 1960, are presented in Exhibit A. As indicated therein the Net Debt decreased by $7,814.47 during the fiscal year ended June 30, 1960.

Analysis of Change in Financial Condition:
(Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decrease in Net Debt		
Bonds Paid	$ 6,000.00	
Long Term Notes Paid	1,875.00	
Net Budget Surplus	2,339.40	
		$ 10,214.40

Increase in Net Debt

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Holderness:

I respectfully submit my sixth annual report as your Superintendent of Schools.

GENERAL

The past decade has certainly seen a tremendous expansion in the field of education, and a tremendous growth of concern about it. Future historians, looking back upon this era, will be torn between referring to it as "The Atomic Age" and the inclination to describe it as "The Age of Education." The unlocking of the secrets of atomic energy, travel in outer space, and under water, and in the advances of communication through the media of television are but a few of the accomplishments that may be credited to education.

Today there are over 50,000,000 individuals enrolled in some type of educational institution in the United States. Although education is a function of the State Government, the control is left with local communities and elected representatives of such communities. The citizen, by his payment of property taxes, supports a major portion of this vast undertaking in what we call the democratic process.

There is much evidence that there has been increased interest in education in recent years. Much of this interest has been brought about by such reports as the Conant Report, The White House Conference on Health and Education, the various television programs relating to the educational process, and the emphasis for state-aid for education.

This is a legislative year and each citizen should make it a point to be aware of some of the impending legislation which will pertain to educating the mentally handicapped, transportation of school children, increased school building aid and the per capita tax assessment of school districts.

SUPERVISION AND INSTRUCTION

Much is being written today about educational quality and certainly quality is being emphasized in the Holderness School. In reviewing the test results, one is thrilled to see the objective evidence of such excellent pupil progress. When a community provides an excellent school, the results are observable.

The big job in meeting the international problem confronting us today appears not to be a "crash" program of math and science, but one of increasing the knowledge about other peoples, their hopes and fears, how they think, what we mean to them, how much or how little they know about us, and learning a bit about their language.

With the knowledge of how other people live, work and play we can help the boys and girls of a free society make decisions. Not by dictatorial methods, not by permissiveness, but by planning with them, leading them to see all sides of a problem, can we train them in the art of deciding wisely. This is the foundation of freedom. It has been said, "That person is free who recognizes himself as the author of the laws he obeys."

STAFF

The high quality of education in Holderness is directly related to the staff that is so competent, conscientious and devoted to their work.

Much of the credit for your school being so good is due to the untiring efforts of the staff in taking advantage of the opportunities to attend workshops, take extension courses and attend Summer school where they are able to keep abreast with the latest trends in the educational field.

Mrs. Edith Bowie, teacher in grade one for the past two years, joined the staff at the Plymouth Demonstration School, and Mrs. Sheila Arold, a graduate of Plymouth Teachers College and a teacher at Canaan Elementary School, was employed as her replacement.

Mr. T. Gary Allen, teacher of math, science and physical education in grades five through eight, accepted a position at Laconia High School and Mr. Clarence Bailey, a graduate of Plymouth Teachers College, was elected to fill the vacancy.

BUILDING MAINTENANCE AND EQUIPMENT

A science table for demonstration purposes was installed in the seventh and eighth grade room, and one-half of the purchase price was reimbursed through the National Educational Defense Act.

Plans are underway for the installation of a cyclorama for the stage and painting of the outside doors.

There is need for playground equipment, and it is hoped that a slide will be installed during the Summer.

TRANSPORTATION

The transportation of the children in any district presents a big problem especially in the Winter time, and we are very fortunate in having a group of transporters that are so capable and understanding of their job. There are many opportunities to do some good teaching while pupils are in transit, and with such qualified drivers, I know that many points of how to get along with one's neighbor are brought into play.

SCHOOL LUNCH PROGRAM

The lunch program is operating very efficiently under the supervision of Mrs. Bruce Heald with Mrs. Eva Avery as her assistant.

It is very interesting to see how the program is operated so that it becomes another learning and exchange of ideas opportunity.

P.-T. A.

The P.-T. A. is to be complimented for having so many worthwhile meetings relating to the pupil, parent, teacher and the home.

CONCLUSION

In closing, I want to thank the school board for its excellent support and for its display of fine judgement in connection with the handling of problems attendant under the operation of the school.

I also wish to express my personal appreciation to all my fellow workers, teachers, nurse, doctor, custodian, lunch program supervisors, transporters, substitute teachers and members of the community who have shown such willing cooperation in getting the job done.

PRINCIPAL'S REPORT

To the Supt. of Schools:

I herewith submit my Annual Report as Principal of the Holderness Central School.

Changes in the teaching staff last Fall found Mr. Clarence Bailey replacing Mr. Allen in the Math and Science Dept. and Mrs. Sheila Arold replacing Mrs. Bowie in the First Grade. Mr. Bailey has also handled the coaching duties for football and baseball and has initiated volley ball which has been very successful during these Winter months. Also along the athletic line is the skating rink, which is being used by the students with much enjoyment. We are deeply appreciative to the Holderness Fire Dept. for their help in this endeavor.

Educational T. V. is being used this year in the fourth grade for a History of New Hampshire course and in the fourth and fifth grades for a French course. This medium is also being used as a means of teaching Primary Music.

A new set of encyclopedia was obtained for the seventh and eighth grades to be used as reference books, making two complete sets for student use.

During the Winter months the children had the opportunity to receive vitamin pills as the result of arrangements made by the local P.-T. A., with Mrs. Corbett as president.

At Christmas time the Holderness Boys School entertained our students with a Christmas party and presented the school with a new record player. We are certainly grateful for this generous gesture on their part.

Please feel free to come to your school on any matter pertaining to the education of the Holderness children.

Again I would like to express my appreciation to the School Board, Mr. Heffernan, the Staff and the people of Holderness for the fine united effort that has been evident, with one thought in mind, a Better School and Education for the Town of Holderness.

Respectfully submitted,

ROBERT E. McGLONE,
Principal

REPORT OF SCHOOL NURSE

The Holderness P.-T. A. sponsored four Dental Clinics on April 5-12-19th and May 10th. The children were transported to Dr. Crowell's office in Plymouth.

Free vitamin pills were given all school children with permission of their parents. These were supplied by the P.-T. A.

Annual Vision Tests were completed and the questionable ones rechecked. A notice was then sent home suggesting further examination by their family eye doctor.

The height and weight of each child were checked in June and September. Frequent individual inspections for cleanliness were also made throughout the year.

Hearing was checked with the Maico machine. Children found to have any hearing loss took notices home. Some of these children with speech or hearing problems have attended the N. H. Center for Hearing and Speech Defects Clinic in Concord.

Physical examinations were completed in October by Dr. Lawrence Rockwood, school physician. Seventy-two children were examined and parents were notified of all recommendations to correct any defects found.

In March, T. B. Patch Tests were applied to 115 students. This part of the school health program we do in each school every two years. Any positive reactions are followed with a Chest X-Ray.

The usual welfare and social work continued whenever there seemed to be a need.

A Pre-School Registration Day was held May 25, 1960 with 10 children attending. This day is set aside each year for the children entering school the following September to become better acquainted with the teachers, school and school nurse. Mrs. Marjorie Plaisted, dental hygienist, also was present showing each child and parent the necessary, healthful care of the teeth.

The nurse made 40 school visits and 58 home visits.

The cooperation of all those connected with the School Health Program has been sincerely appreciated.

Respectfully submitted,

AMY L. BROWN, R.N.
School Nurse-Teacher
